

InnoSoft Technologies - Employee Leave Policy 2024

Section 1: Annual Leave

All permanent employees are entitled to 24 days of paid annual leave per calendar year. Employees who join mid-year receive leave on a pro-rata basis calculated from their date of joining. Annual leave can be carried forward up to a maximum of 12 days to the next calendar year. Any unused leave beyond 12 days will lapse on December 31st and cannot be encashed except upon resignation or retirement. Leave must be applied at least 3 working days in advance and is subject to manager approval.

Section 2: Sick Leave

Employees are entitled to 12 days of paid sick leave per year. Sick leave does not carry forward to the next year and cannot be encashed under any circumstances. For sick leave exceeding 3 consecutive days, a medical certificate from a registered medical practitioner must be submitted within 48 hours of returning to work. Sick leave taken immediately before or after a public holiday will require a medical certificate regardless of duration.

Section 3: Maternity and Paternity Leave

Female employees are entitled to 26 weeks of paid maternity leave for the first two children. From the third child onwards, maternity leave is reduced to 12 weeks. Male employees are entitled to 15 days of paid paternity leave to be availed within 6 months of the child's birth. Adoption leave of 12 weeks is available for employees adopting a child below 3 months of age. Surrogacy leave of 26 weeks is available for commissioning mothers.

Section 4: Leave Without Pay (LWP)

Employees may apply for Leave Without Pay after exhausting all paid leave entitlements. LWP is granted at the sole discretion of the HR department and requires approval from both the department head and HR Director. LWP of more than 30 consecutive days will result in loss of service continuity for the purpose of gratuity calculation. LWP does not count toward probation completion. Employees on LWP are not eligible for salary increments during that appraisal cycle.

Section 5: Public Holidays and Restricted Holidays

InnoSoft observes 10 compulsory public holidays per year as declared by the government. In addition, employees may choose 2 restricted holidays from a list of 5 options announced at the start of each year. Restricted holidays must be applied 5 days in advance. Working on a public holiday will entitle the employee to a compensatory off to be availed within 30 days. Compensatory offs cannot be carried forward or encashed.

Section 6: Leave Encashment

Annual leave encashment is permitted only at the time of resignation, retirement, or termination without cause. The encashment rate is calculated as: $(\text{Basic Salary} / 26) \times \text{Number of Leave Days}$. A maximum of 30 days of accumulated leave can be encashed at any point in time. Encashment is subject to applicable income tax deductions as per prevailing tax laws. Sick leave and LWP are not eligible for encashment under any circumstances.

Section 7: Bereavement Leave

Employees are entitled to 5 days of paid bereavement leave on the death of an immediate family member (spouse, child, parent, or sibling). For extended family members (grandparents, in-laws), 3 days of paid bereavement leave is available. Bereavement leave must be applied within 7 days of the event and requires supporting documentation such as a death certificate. Bereavement leave is in addition to annual leave and does not affect other leave balances.
